Respected Sir/Madam –

This is a follow-up to the conversation we had over phone on Jun 16th 2010. As recommended, I am writing this formal request to grant us the patent.

Last year, I requested all correspondence to be sent to my son -Shikhar Singh's address (given below). We received a notice earlier this year (2010) that my patent was granted. We were expecting patent to be arriving at my son's address but have not received yet. Earlier this year, we enquired at USPTO via phone and were informed that the patent is already delivered via US mail. After waiting several weeks and making several calls we also checked with post office. There is no trace of the mail yet.

Can you please help us by checking the mail at your end or resend the copy of the patent.

Many thanks in advance

Your sincerely

Padam Singh
